

AzEDS Instructional Calendar Integrity Rules

Updated July 26, 2019

Error Code	Description	Message	Comments	Year Created/ Last Modified
90000	If the track begin and end dates are not within the fiscal year, report the discrepancy as warning.	The submitted track/calendar begin date {Actual1} and end date {Actual2} must be within the current fiscal year {Actual3}.		FY19
90001	If the track begin and end dates are not instructional day, report the discrepancy as an error.	Track/calendar begin and end dates must be instructional days.		FY19
90002	The July 4 holiday must be reported in the school calendar on the specified date.	Public schools are expected to recognize the July 4 holiday. Please include this required holiday in the school calendar on the required date. See A.R.S. 15-801 for more information.		FY19
90003	The Veterans' Day holiday must be reported in the school calendar.	Public schools are expected to recognize the Veterans' Day holiday. Please include this required holiday in the school calendar on the required date. See A.R.S. 15-801 for more information.		FY19
90004	If school calendar does not include required December 25 holiday on the specified date, then report discrepancy as error	Public schools are expected to recognize the December 25 holiday. Please include this required holiday in the school calendar on the required date. See A.R.S. 15-801 for more information.		FY19
90005	The Thanksgiving Day holiday must be reported in the school calendar on the specified date.	Public schools are expected to recognize the Thanksgiving Day holiday. Please include this required holiday in the school calendar on the required date. See A.R.S. 15-801 for more information.		FY19
90006	If school calendar has more than one Fall break, then report discrepancy as error.	Only one Fall Break is allowed.		FY19
90007	If a school calendar has more than one Winter Break, then report the discrepancy as an error.	Only one Winter Break is allowed.		FY19
90008	If a school calendar has more than one Spring Break, then report the discrepancy as an error.	Only one Spring Break is allowed.		FY19
90009	If calendar dates are not within the track begin and end dates, then report the discrepancy as an error.	Each calendar date {Actual1} must be within track/calendar begin date {Actual2} and end date {Actual3}.		FY19
90010	A school calendar track should have the specified minimum required number of instructional days.	A {Expected1} day school track/calendar should have a minimum of {Expected2} instructional days.		FY19
90011	If a school is in a 200 day district, the school calendar must include 200 instructional days for all tracks. Otherwise report the discrepancy as an error.	A school operated by a 200 day district must include 200 instructional days for all tracks/calendars.		FY19
90012	If TrackLEAID is not a public entity, then report the discrepancy as an error.	TrackLEAID {Actual1} needs to be a public entity.		FY19

Error Code	Description	Message	Comments	Year Created/ Last Modified
90014	If a track does not have a valid number of school days in a week, then report the discrepancy as an error.	The number of school days in a week does not match the valid number of instructional days in the week for the track/calendar submitted.		FY19
90015	If an AOI school submits a calendar, then report the discrepancy as an error.	AOI schools do not submit calendars.		FY19
90016	If weekend day is applied to a day besides Saturday or Sunday, then report the discrepancy as a warning.	A Weekend day descriptor can only be applied to Saturday or Sunday: {Actual1}.		FY19
90017	If a track has multiple descriptors for a given date between the track begin date and end date, then report the discrepancy as an error.	For each calendar date {Actual1} of a track/calendar, there must be exactly one descriptor.		FY19
90018	If a track's end date is not greater than its track begin date, then report the discrepancy as an error.	The end date {Actual1} for a track/calendar can not be before the begin date {Actual2} of the track/calendar.		FY19
90019	If there is any missing date between track begin date and end date, then report the discrepancy as an error.	Track/Calendar {Expected1} submitted is missing descriptorID(s) for the date(s): {Expected2}.		FY19
90020	If the track number and number of instructional days in a week are not valid, then report the discrepancy as an error.	The number of instructional days in a week submitted for track/calendar {Expected1} does not match the {Expected2} days per week it is allowed to have.	Disabled for FY2020	FY19
90021	If a school has more than one primary (5-day or 4-day) calendar without School Finance's approval, then report the discrepancy as an error.	All schools are allowed only one 5-day or 4-day calendar.		FY20
90022	If a school submits a 4-day PS/KG calendar before submitting a primary (5-day or 4-day) calendar, then report the discrepancy as an error.	A school can not have additional PS/KG calendars without a primary (5-day or 4-day) calendar.		FY20
90023	If a school submits more than three 4-day PS/KG calendars without School Finance's approval, then report the discrepancy as an error.	School ID {Actual1} is approved for {Actual2} 4-day PS/KG calendars, for the following submitter: {Actual3}. The allowable number of calendars has been exceeded. To request approval for more calendars please contact SFAnalystTeam@azed.gov.		FY20
90024	If a school submits more than three 3-day PS/KG calendars without School Finance's approval, then report the discrepancy as an error.	A school can not have additional PS/KG calendars without a primary (5-day or 4-day) calendar.		FY20
90025	If a school submits a 3-day PS/KG calendar before submitting a primary (5-day or 4-day) calendar, then report the discrepancy as an error.	School ID {Actual1} is approved for {Actual2} 3-day PS/KG calendars, for the following submitter: {Actual3}. The allowable number of calendars has been exceeded. To request approval for more calendars please contact SFAnalystTeam@azed.gov.		FY20
90026	If a 3-day calendar for grades 9, 10, 11, or 12 is submitted without School Finance's approval, then report the discrepancy as an error.	School ID {Actual1} is approved for {Actual2} 3-day calendar for grades 9, 10, 11, or 12, for the following submitter: {Actual3}. The allowable number of calendars has been exceeded. To request approval for more calendars please contact SFAnalystTeam@azed.gov.		FY20

Error Code	Description	Message	Comments	Year Created/ Last Modified
90027	If a 2-day calendar for grades 9, 10, 11, or 12 is submitted without School Finance's approval, then report the discrepancy as an error.	School ID {Actual1} is approved for {Actual2} 2-day calendar for grades 9, 10, 11, or 12, for the following submitter: {Actual3}. The allowable number of calendars has been exceeded. To request approval for more calendars please contact SFAnalystTeam@azed.gov.		FY20
90028	If a 1-day calendar for grades 9, 10, 11, or 12 is submitted without School Finance's approval, then report the discrepancy as an error.	School ID {Actual1} is approved for {Actual2} 1-day calendar for grades 9, 10, 11, or 12, for the following submitter: {Actual3}. The allowable number of calendars has been exceeded. To request approval for more calendars please contact SFAnalystTeam@azed.gov.		FY20
90029	If an unplanned calendar event is submitted during the normal submission window, then report the discrepancy as an error.	Only planned calendar events can be submitted during the normal calendar submission window.		FY20
90030	If a submitted calendar code does not begin with the submitting LEA id, then report the discrepancy as an error.	Calendar codes must begin with the submitting LEA ID.		FY20

Note: Calendar Integrity has Dynamic Messages for some of the rules where you see { }. For Example, rule 90000 message: The submitted track begin date 6/1/2018 and end date 6/2/2018 must be within the current fiscal year 2019.
